

MOHU™

sail

FIRSTSTAGE AMPLIFIED
ATTIC / OUTDOOR
HDTV ANTENNA

75 MILE
RANGE

The Mohu Sail is a powerful outdoor TV antenna and comes with everything you need for installation. This antenna boasts a 75-mile range and includes a 20" mast with pivoting base for easy install on vertical and horizontal surfaces. Mount this versatile antenna in an attic, on a roof, on outdoor siding, or indoors. FirstStage amplification works right at the base of the antenna where TV signal is at its best, for clear, efficient, uninterrupted signal boost and filtering. Sharp features on the outside complement multi-directional UHF and Hi-VHF elements on the inside to offer crystal-clear reception from the front and back of the antenna. Weather-resistant, durable materials perfectly paired with the easy, adaptable designs we're known for make this amplified outdoor antenna ideal for rural and suburban areas. **Enjoy watching TV that's already free.** 📺

Everything you want in a TV antenna

- Integrated FirstStage amplification offers a seamless antenna experience with boosted reception
- USB power injector can be plugged directly into a USB port on your TV, or use included power adapter
- Adaptable 20" mast with pivoting base can be installed on vertical and horizontal surfaces in attics, indoors, or outdoors
- Multi-directional UHF and Hi-VHF elements specifically tuned to the frequencies broadcast in North America receive TV signals from both sides of the antenna
- Full HD 1080p, 4K, 8K UHD, and NEXTGEN TV compatible

FIRSTSTAGE AMPLIFICATION

Our FirstStage amplifier is integrated into the antenna, where signal is at its best, for enhanced reception and more TV channels.

MULTI-DIRECTIONAL

UHF/Hi-VHF multi-directional elements receive TV signals from the front and back of the antenna.

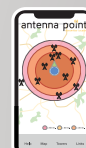

LET YOUR TV DO WHAT IT'S MEANT TO

TV is supposed to be fun, not frustrating. We've combined stellar outdoor antenna performance with the easy-to-install designs and materials we're known for. Enjoy outdoor antenna performance with all the convenience of an indoor antenna.
