

MOHU™

Leaf plus™

FIRSTSTAGE AMPLIFIED
INDOOR HDTV ANTENNA

60 MILE
RANGE

Often imitated, never (really) duplicated – Launched in 2011, this design established the trend of paper-thin TV antennas. The Mohu Leaf plus antenna offers all the benefits of our notorious design with powerful performance thanks to FirstStage amplification, located right at the base of the antenna where TV signal is at its best, for clear, efficient, uninterrupted signal boost and filtering. Easy on the eyes, this antenna is reversible and paintable to match any space. Setup is easy – simply connect the antenna, use a USB port on your TV for power, and scan for channels. **Enjoy watching TV that's already free.** 📺

THE
original
ULTRA-THIN ANTENNA

Everything you want in an indoor TV antenna

- Original ultra-thin indoor TV antenna with reversible design
- FirstStage amplification offers the most seamless antenna experience
- USB power injector can be plugged directly into a USB port on your TV

Weight: 9 oz.
Color: Black / White Reversible
Includes: 12 ft. Detachable high-performance coaxial cable, USB power injector, Hook & loops tabs and push pins, Instructions
Warranty: One-Year Warranty

NEXTGEN TV
— COMPATIBLE —

FIRSTSTAGE AMPLIFICATION

Our FirstStage amplifier is integrated at the base of the antenna where TV signal is at its best, for enhanced reception and more TV channels.

MULTI-DIRECTIONAL

UHF/Hi-VHF multi-directional elements receive TV signals from the front and back of the antenna.

LET YOUR TV DO WHAT IT'S MEANT TO

TV is supposed to be fun, not frustrating. Enjoy watching broadcast TV channels for free with the Mohu Leaf Plus. Easy setup and classic design make this antenna perfect for city, suburban, or single-TV homes and compact living spaces like dorms and apartments.
