

Flexible Solar Panel 100W TX-208

TECHNAXX[®]
GERMANY

Flexible Solar Panel 100W TX-208

Flexible design, easy installation and ideal for various applications e.g. camping, caravan, boat, gazebo, balcony etc.

Flexible Solar Panel 100W TX-208

- Solar panel:
Monocrystalline solar cell
- Max. power: 100W
- Max. voltage: 18V

TECHNAXX[®]
GERMANY

Flexible Solar Panel 100W TX-208

ETFE surface for optimal
light transmission
High efficiency monocrystalline
solar cells

Compatible with all common power
stations like the Technaxx 300W
TX-201 and 600W TX-202 power station

Flexible Solar Panel 100W TX-208

TECHNAXX[®]
GERMANY

- Protection class of the junction box: IP67
- Operating temperature: -20°C~+65°C
- Device weight: 2.1kg
- Device dimensions: 105 x 53 x 0.26cm
