# Leaf 50™

AMPLIFIED INDOOR  
HDTV ANTENNA

60 MILE  
RANGE

Often imitated, never (really) duplicated – Launched in 2011, this design established the trend of paper-thin TV antennas. The Mohu Leaf 50 antenna offers the benefits of our notorious design coupled with the power of our Jolt Switch in-line amplifier. You control when TV signals need a boost with a simple ON/OFF switch, bypassing amplification when a TV channel doesn't need it. With 18 dB of gain in a low-profile, low-noise amplifier, you'll get clear, enhanced over-the-air reception without interference from cellular and FM signals. Easy on the eyes, this antenna is reversible and paintable to match any space. **Enjoy watching TV that's already free. 📺**

THE  
*original*  
ULTRA-THIN ANTENNA

### Everything you want in an indoor TV antenna

- Original ultra-thin indoor TV antenna with reversible design
- Jolt Switch in-line amplifier all-in-one solution provides real-time amplification with simple ON/OFF switch
- Multi-directional UHF and Hi-VHF elements specifically tuned to the frequencies broadcast in North America receive TV signals from both sides of the antenna
- Engineered using technology developed in the U.S.A.
- Full HD 1080p, 4K, 8K UHD, and NEXTGEN TV compatible

**Model:** MH-110584  
**UPC:** 854449004101  
**Range:** 60+ Miles  
**Location:** Indoor  
**Style:** Multi-Directional

**Frequencies:**  
UHF 470-608 MHz  
Hi-VHF 174-216 MHz  
Amplifier Gain: 18 dB

**Assembled Dims:** 10" H x 11.5" W x .04" D  
**Weight:** 9 oz.  
**Color:** Black / White Reversible  
**Includes:** 12 ft. Detachable high-performance coaxial cable, Jolt Switch in-line amplifier with coaxial cable & 6 ft. USB cable, Hook & loops tabs and push pins, Instructions  
**Warranty:** One-Year Warranty / 90-Day accessory warranty

NEXTGEN TV  
— COMPATIBLE —

### BETTER BOOST, BETTER SIGNAL

The Jolt Switch is an all-in-one solution providing real-time amplification. Switch **ON** for clear, efficient TV signal boosting. Switch **OFF** to easily bypass the amplifier while still benefiting from RF signal filtering.

### PERFORMANCE AND STYLE

Thanks to elegant design on the outside and advanced technology on the inside, your antenna can be just as sharp as the crisp HD picture it delivers to your TV.

### MULTI-DIRECTIONAL

UHF/Hi-VHF multi-directional elements receive TV signals from the front and back of the antenna.

### LET YOUR TV DO WHAT IT'S MEANT TO

TV is supposed to be fun, not frustrating. Enjoy watching broadcast TV channels for free with the Mohu Leaf 50. Easy setup and classic design make this antenna perfect for city, suburban, or single-TV homes and compact living spaces like dorms and apartments.
