

MEZZO+

OPEN-EAR BONE CONDUCTION

Wireless Sports Headphones

Unlock a new realm of sound with Mezzo+. Crafted with next-generation bone conduction technology and advanced Bluetooth 5.3 wireless connectivity, Mezzo+ delivers premium audio quality, while keeping you seamlessly connected to the world around you.

MSRP: \$69.95 **MAP:** \$49.95

Open-Ear Design + Bone Conduction Technology

Mezzo+ rests outside your ears and utilizes bone conduction technology to send sound waves via tiny vibrations through your cheekbones to your inner ear.

With nothing inside your ears, Mezzo+ allows you to hear your music and calls, while staying tuned into your environment.

Bone Conduction Technology
 ((=)) Mini vibrations deliver premium audio with deep bass to your inner ear

Secure & Comfortable
 Loops over the ear and delivers a pain-free listening experience

IPX5 Waterproof
 Protects against weather and sweat
