

# mōHU™ leaf™

**40** MILE  
RANGE  
INDOOR HDTV  
ANTENNA

Often imitated, never duplicated - We've redesigned our signature LEAF antenna for style and performance! The Mohu Leaf features a warm grey color and contemporary, mindful design to offer reliable 40-mile range. Multi-directional UHF and Hi-VHF antenna elements provide high-quality reception from the front and back of the antenna. High-performance coaxial cable is attached to the antenna for optimal function and fewer opportunities for signal interruption. **Enjoy watching free broadcast TV channels with the next generation of indoor TV antennas.**

## Everything you want in an indoor TV antenna

- Contemporary ultra-thin design with warm grey finish complements any room
- Multi-directional UHF and Hi-VHF elements specifically tuned to the frequencies broadcast in North America receive TV signals from both sides of the antenna
- Engineered using technology developed in the U.S.A.
- Full HD 1080p, 4K, 8K UHD, and NEXTGEN TV compatible

### PERFORMANCE AND STYLE

Thanks to elegant design on the outside and advanced technology on the inside, your antenna can be just as sharp as the crisp HD picture it delivers to your TV.

### MULTI-DIRECTIONAL

UHF/Hi-VHF multi-directional elements receive TV signals from the front and the back of the antenna. Hang on a wall or window for the best reception.

### SMALL AND MIGHTY

Enjoy watching free broadcast TV channels with the Mohu Leaf. Easy setup and a low profile make this antenna perfect for city or single-TV homes and compact living spaces like dorms and apartments.
