

## CLEARSTREAM UNIVERSAL 40 in. MAST

**Universal mast** – Engineered to provide reliable support for a wide range of devices, including large TV antennas, satellite dishes, surveillance systems, and more.

**Pivoting base** – The J-shape provides stability, and the mounting base adapts for horizontal or vertical flat surfaces, indoors and outdoors.

**Easy Installation** – Includes everything you need for effortless setup.

**Made to last** – Premium construction and design with 16-gauge powder-coated steel and includes adaptable weather-resistant mounting hardware for secured installation even in harsh weather conditions.

**Versatile Applications** – Compatible with a wide range of devices, suitable for everything from residential to commercial installations.

### Exceptional Quality and Reliable Performance

Complete your antenna setup without sacrificing quality, choice, or convenience. As perfectionists and antenna enthusiasts, innovation and quality are two of our highest priorities. Since 2003 we have developed a history in the antenna technology industry as the leading brand of HDTV antennas designed for the digital era, as well as a full catalogue of antenna accessories carefully crafted for every installation.

### Everything You Need, All From One Place

We offer a wide range of digital HDTV antennas as well as their accessories. We also aim to educate users on how to get the very best experience from cutting the cord and saving money on TV that's already free. This is why we make sure you have everything you need to get the most out of cutting the cord and what makes us **cord-cutters'** favorite brand.

The ClearStream 40 in. Universal Mast comes with:

- Mounting Brackets
- Lag Bolts
- Sealing Pads
- Assembly and Installation Instructions
