

APPROACH® Z30

GOLF LASER RANGE FINDER

PRODUCT OVERVIEW:

Add range to your game with the Approach Z30 laser range finder. It provides distance to the pin and the PlaysLike Distance feature from up to 400 yards away with 6X magnification.

When paired with your compatible Garmin device, you'll also get distance to the front and back of the green relative to the pin through the viewfinder. And with the range relay feature, you'll see the ranged distance to the pin on your paired Garmin smartwatch or handheld or the Garmin Golf™ smartphone app.

For your convenience, Approach Z30 has a built-in magnetic cart mount for easy transportation, and a Find My Garmin feature with the Garmin Golf app helps you locate the device in case you leave it behind on the course. And with up to 1 year of battery life, Approach Z30 is ready to go, round after round.

APPROACH[®] Z30

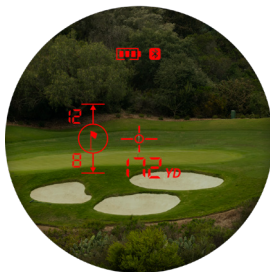

GOLF LASER RANGE FINDER

KEY FEATURES:

<p>LASER RANGE-FINDING</p>	<p>This laser range finder quickly displays your distance to the pin from up to 400 yards away with 6X magnification and advanced optics.</p>
<p>COMPATIBLE DEVICES <small>NEW</small></p>	<p>Pair Approach Z30 to your compatible Garmin smartwatch or handheld or the Garmin Golf™ smartphone app and see more through the viewfinder, including distance from the pin to the front and back of the green.</p>
<p>RANGE RELAY FEATURE <small>NEW</small></p>	<p>The range relay feature sends your ranged distance to a paired compatible Garmin device or the Garmin Golf app. You'll see the exact location of the pin — plus a laser range arc on your compatible device, so you can see everything that is in play at that distance.</p>
<p>PLAYSLIKE DISTANCE FEATURE</p>	<p>The PlaysLike Distance feature lets you adjust yardage for uphill or downhill shots based on the change in elevation from where you're standing.</p>
<p>ENHANCED PLAYSLIKE DISTANCE <small>NEW</small></p>	<p>Get even more with the latest enhancements to PlaysLike Distance when paired to a compatible device that includes this feature. This enhanced feature factors in air pressure, temperature, wind and humidity — a combination known as air density that greatly affects how far a ball will travel.</p>
<p>MAGNETIC CART MOUNT <small>NEW</small></p>	<p>A built-in magnetic cart mount makes for quick and convenient ranging when riding in a golf cart.</p>
<p>FLAG FINDER</p>	<p>See the distance to the flag, and get vibrational feedback once you've locked onto the pin.</p>
<p>TOURNAMENT MODE</p>	<p>An external indicator light lets you and your playing partners know when your device is in tournament mode.</p>
<p>FIND MY GARMIN</p>	<p>When paired to the Garmin Golf smartphone app, you can use the Find My Garmin feature to locate your range finder if it's left behind.</p>
<p>BATTERY LIFE</p>	<p>Get up to 1 year of play with a replaceable battery.</p>

LASER RANGE-FINDING

See the distance to the pin from up to 400 yards away with 6X magnification, and get vibrational feedback once you've locked onto the pin. Plus, see distance from the pin to the front and the back of the green¹ displayed through the viewfinder.

RANGE RELAY

Sync the ranged distance to the pin with the Garmin Golf app or your compatible smartwatch or handheld — plus see a laser range arc that reveals everything in play.

PLAYSLIKE DISTANCE

This feature adjusts yardage based on elevation changes.
