512GB

2-in-1 flash drive for your USB Type-C™ and Type-A devices

The Lexar® JumpDrive® Dual Drive D400 USB 3.2 Gen 1 Type-C™ is a 2-in-1 flash drive that allows you to seamlessly transfer content between your USB Type-C™ and Type-A devices. Featuring a stylish metal casing and swivel design for added protection, this drive is as tough as it is fast with transfer speeds up to 170MB/s¹.

Quickly transfer your favorite content. Featuring high-speed USB 3.2 Gen 1 performance and transfer speeds up to 170MB/s¹ read, quickly and easily move your files to your smartphone, tablets and computers.

Stylish metal housing and swivel design. The stylish metal housing design with the key ring loop provides outstanding durability while protecting the connectors while on-the-go.

Secure your files with Lexar DataShield. Easily create a password-protected safe that automatically encrypts data. And for peace of mind, files deleted from the safe are securely erased and can't be recovered.

Compatible with Android™, PC and Mac® systems. Compatible with USB Type-C and Type-A connectors, the Lexar® JumpDrive® Dual Drive D400 USB 3.2 Gen 1 Type-C™ allows you to easily transfer your files between your USB Type-C smartphones, tablets, laptops, Macs and traditional Type-A devices.

Rigorously tested. All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

For more than 25 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores.
