

PARK RIGHT® DUAL GARAGE LASER PARK

Model #37313-CL

New White Color!

Park perfectly every time!

BLENDS IN WITH GARAGE WALLS OR CEILING

It is very easy to ding and damage your car when parking in the garage. Whether you or someone else in your household has a hard time parking, the PARK RIGHT® Dual Garage Laser Park can help guide you perfectly every time. The White Garage Laser Park blends in with most garage ceilings.

EASY TO USE

All you need to do is pull into your garage! The lasers activate automatically when they detect motion. When the laser shines on a predetermined stop on your car, you'll know you're in the right spot. You will park perfectly every time!

DUAL LASER DESIGN

Equipped with two lasers, this unit is designed for two vehicles in a typical double garage.

NON-INTRUSIVE

Unlike other parking aids, the Garage Laser Park doesn't dangle from the ceiling, protruding into your space

INCLUDES

- Dual Laser Park Module
- 1 AC Adapter
- Mounting Hardware - Mounting Bracket, Screws, Double Sided Tape
- User Guide
- 90 Day Warranty

WHY IS THIS USEFUL TO ME?

- Helps prevent damage to your car and garage.
- New white color blends in with most garage ceilings.
- Park confidently every time.
- Automatically activates when your vehicle enters the garage.
- Easy to install. Mount with included screws or double sided tape and plug in.

EASY INSTALLATION

- Mounting bracket attaches to the garage ceiling using either screws or double sided tape.
- Laser module just clips into the mounting bracket.
- Simply plug in.
