# Perfect Lamination. Every Time.

From home projects to business brainstorm, creativity and productivity are essential to achieving your best. Fellowes lamination solutions help you achieve perfect results in minutes. High-quality, with high speed. That's Fellowes Lamination.

***Fellowes***

# Consumer Driven Features to Maximize Productivity

Designed to enhance productivity, we've developed features that result in effortless operation and a superior laminating experience. With intuitive and innovative features, get to perfect results faster.

## PRODUCTIVITY

**InstaHeat Technology**  
Rapid laminator warm-up for increased productivity.

**AutoSense Technology**  
Detects pouch thickness and instantly self-adjusts to the optimal laminating setting.

## EASE OF USE

**Advanced Pouch Tracking System**  
Detects and reverses pouch in case of jam.

**Auto-Reverse**  
Detects misfeeds and automatically reverses document flow for easy removal.

**Reverse Function**  
Reverses rollers to disengage pouch for re-centering or removal.

**Jam Release Button**  
Releases the tension between the rollers to allow pouch removal.

## SAFETY

**Auto Shut Off**  
Saves energy and prevents overheating when not in use.

## QUALITY

**Clean Alert**  
Detects when rollers need to be cleaned to ensure quality results.

## LAMINATOR SELECTION GUIDE

### Large Office / Office

Daily office / School use - FREQUENT USE

3+ Users

Frequent Usage

### Small Office / Home Office

Small office or classroom, use a few times a week - MODERATE USE

1-2 Users

Moderate Usage

### Personal

Home / Home office, use a few times a month - OCCASIONAL USE

1 User

Occasional Usage

## DOCUMENT SIZE

9.5"

#### Standard Document

A laminator with a 9.5" width can accommodate US Legal, Letter and smaller size documents

12.5"

#### Wide Format

Larger document sizes, such as tabloid, require a laminator with a wider 12.5" entry.

## POUCH THICKNESS

#### Standard

For occasional handling, filing, or posting

#### Medium

For moderate handling, filing or posting

#### Rigid

For daily handling, filing or posting

#### Extra-Rigid

For intensive daily handling or usage of items

# Large Office/ Office Laminators

---

Our truly automatic large office laminators are designed for multiple users in the office or school. Featuring high performance robust systems, these laminators offer enhanced speed for delivering maximum results with ease.

# LX Series

Next Generation Technology

## Venus™ 125

### FREQUENT USAGE

- Ultra-rapid Laminating: Quickly laminate hot and cold pouches up to 10 mil thick, up to 86" per minute with this 6-roller system
- Warms up in 30 seconds: InstaHeat Technology enables quick warm up to get to your projects quickly
- Jam-proof: Advanced pouch tracking prevents jams by auto-reversing when mis-feeds are detected
- Makes laminating easier: Automatically detects pouch thickness and adjusts to the optimal laminating setting with AutoSense system
- Customized Performance: Adjust speed and finish for the exact laminating results you want
- Extended laminator life: Know when to clean rollers with Clean Alert to extend your laminator lifespan and ensure quality results, free cleaning sheet included
- Ensure perfect results: Entry tray and extended exit tray continuously guides the pouch completely through.
- Free pouch kit: start your projects right away with starter jam free, ImageLast™ pouches

## ImageLast™ Thermal Pouches

High-quality pouches with jam-free and UV protection. Perfect for special projects.

- Premium, ImageLast™ Laminating Pouches with UV protection prevent fading and provide a superior laminate
- High-quality, photo safe materials provide excellent clarity and durability for your most important documents
- Easy to use pouches feature directional arrows for accurate pouch insertion and jam prevention
- Compatible with all thermal laminator brands

  
**ImageLast™**  
CAPTURED FOR LIFE  
WITH UV PROTECTION

  
**Jam Free\***

*\*Jam-Free performance when used with a Fellowes laminator*

## Thermal Pouches

Quality laminating pouches provide clarity and durability

- Preserve and protect children's art projects, photos, business signs and more
- Photo safe and dry erase friendly
- Available in a variety of sizes
- Compatible with all thermal laminator brands

## Self-Adhesive Cold Pouches

For projects in which no thermal laminator is needed

- Available in: Single-sided sheets and double-sided pouches
- Pouches can be used with or without a laminator
- Safe for heat sensitive documents

## Cleaning Sheets

For smooth, Jam-Free performance

- Cleaning sheets pick up and clean extra adhesive/glue stuck on rollers
- Made to be reused multiple times (depending on usage)
- Automatically reset the clean alert on your Fellowes laminator (if applicable)
- Ensure jam free results with regular usage or when your cleaning light comes on

# Bound to Impress

For high quality binding results, the cutting edge features of Fellowes binding machines offer perfect binding performance that's faster and easier. Just align, punch and bind.

## HOW TO CHOOSE A BINDING SYSTEM

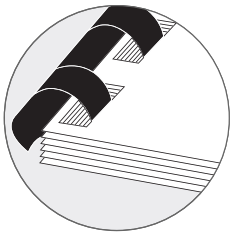

### 3-in-1 Binding Center

- Experience the convenience of three popular binding solutions with one machine
- Comb bind - punches 20 and binds 300 sheets
- Staples up to 30 sheets
- 3-hole punches up to 30 sheets

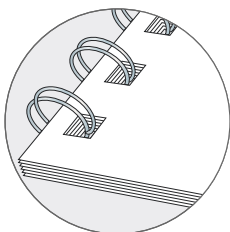

### Plastic Comb Binding

- Standard, well-known finish
- Perfect for presentations
- Lies flat when open for easy presenting or copying
- Modifiable — papers can be added or removed

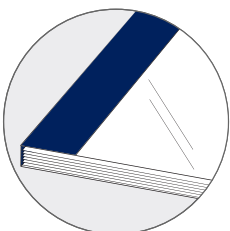

### Wire Binding

- Stylish, secure metal finish for a premium look
- Metal wires resist frequent handling
- Bound pages rotate 360 degrees for easy viewing
- Securely bound pages can not be modified

### Thermal Binding

- Book finish, perfect for reports
- More rigid spine for easy filing and mailing
- Does not lie flat when open
- Only system that binds multiple documents at once

## Galaxy™ E Wire Binding

### FREQUENT USAGE

- Effortless electric operation punches up to 20 sheets at the touch of a button
- Binds up to 130 sheets with a 9/16" wire
- Vertical document loading storage tray with integrated document measurement device
- Pre-set wire closure for quick and accurate binding

5217801 - Galaxy™ E Wire

## Helios™ 60 Thermal Binding

### FREQUENT USAGE

- High-performance large office machine features 1-step, worry-free thermal binding
- Binds up to 600 sheets in one step
- Binds multiple documents at once
- 1-3 minute binding process
- Auto document thickness detector with auto-binding cycle determines and selects binding settings for the user
- HeatShield safety barrier prevents accidental contact with the heating plate
- LED control panel ensures this advanced binder is user-friendly

5219501 - Helios™ 60

# Small Office/ Home Office Binding Machines

Advanced binding solutions blend performance and style to handle binding needs in the small office or classroom

## Pulsar™ Comb Binding Series

### MODERATE USAGE

- Punches up to 20 sheets at a time
- Electric model (Pulsar E) offers effortless punching
- Binds up to 300 sheets with a 1½" comb
- Allows user to punch & bind continuously for maximum productivity
- Loads vertically for accurate punch alignment
- Adjustable edge guide centers documents with ease
- Includes comb storage tray and document measurement tool

5216701 - Pulsar™ E

5006801 - Pulsar™+

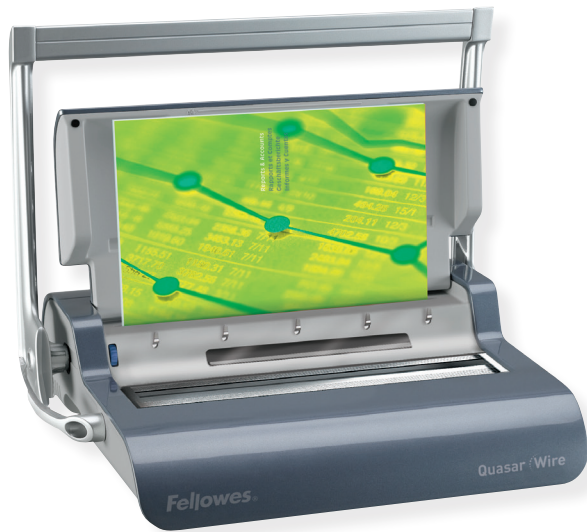

## Star™ + Comb Binding

### MODERATE USAGE

- Comb binding machine for the small office
- Punches up to 15 sheets at a time
- Binds up to 150 sheets with a ¾" comb
- Allows user to punch & bind continuously for maximum productivity
- Loads vertically for accurate punch alignment
- Adjustable edge guide centers documents with ease
- Includes comb storage tray and document measurement tool

5006501 - Star™+

## Quasar™ Wire Binding

### MODERATE USAGE

- Easy-to-use, medium-duty office machine delivers an excellent combination of performance, features and style.
- Efficient design allows user to punch and bind in continuous manner
- Punches up to 15 sheets at a time
- Binds up to 130 sheets with a 9/16" wire
- Vertical document loading ensures accurate punch alignment
- Built-in storage tray with integrated document measurement device

5217401 - Quasar™ Wire

## Helios™ 30 Thermal Binding

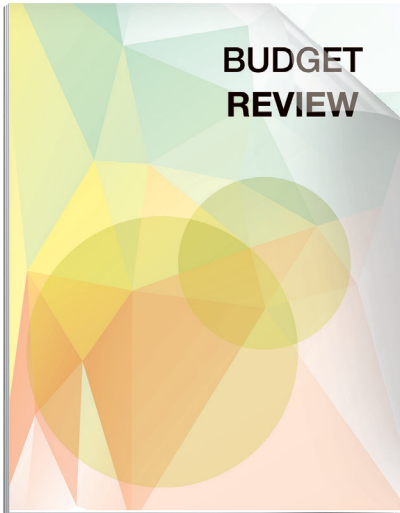

### MODERATE USAGE

- User-friendly binding machine for medium-duty projects or desktop use
- Binds up to 300 sheets in one step
- Binds multiple documents at once
- 1-3 minute binding process
- Manual document measure for ease of use
- HeatShield safety barrier prevents accidental contact with the heating plate
- LED control panel ensures this advanced binder is user-friendly
