

Padlock 2

The toughest smart padlock.

The Padlock 2 is the toughest smart padlock you'll ever own. These heavy-duty baddies have been tested for military standards to withstand harsh environmental conditions. Coupled with an intelligent core, thanks to our algoPIN™ technology, you can be sure your assets are safe rain or shine.

PRODUCT FEATURES

Auto Lock

Automatically locks once the shackle is fastened.

Relock Reminder Alert

Lock will display an LED alert to remind users to fasten the shackle.

Security Lockout

Padlock access is disabled after several incorrect access attempts to ensure your assets are secured.

Emergency Jumpstart

Easily jumpstart the lock with a USB-C cable connected to a power bank if batteries are drained.

Rechargeable Battery

Simply recharge the lock with a USB-C cable if battery levels run low. 6 months worth of use in less than an hour of charging.

Low Battery Alert

Intuitive LED alert will prompt you to charge the batteries when it runs low.

Compatible ecosystem products

Sold separately.

Bridge EB1

Take your lock online with the Bridge. (10m distance supported).

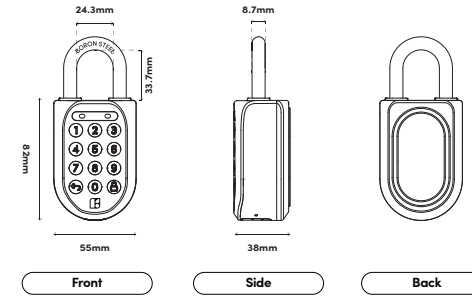

Key Fob IEF1

Unlock with just one click.
