

# ODYSSEY

## ALL YOU NEED IN ANY EMERGENCY

A multifunction alert radio that is rugged, rechargeable, and reliable! Not to mention solar-powered, splashproof, smart phone & tablet charging with bluetooth streaming.

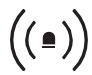

The ODYSSEY is just the ticket. With five sources of power including a rechargeable lithium battery, alkaline batteries, solar panel charging and hand crank power generator. It's an essential tool for every emergency kit at home, at work, or in the great outdoors.

## ON EXTRA ALERT & INFORMATION

When the "Alert" function is on, the radio will automatically active & broadcast NOAA emergency weather alerts for your area such as hurricanes, tornados, and severe storms. With shortwave capability you can listen to stations from UK to Beijing. From the corner of your room, you can travel around world with direct access to news and information.

**4 MINS OF CRANKING  
= 10-15 MINS\***  
of music, weather, and news  
*\*depends on radio volume\**

**5 SOURCES OF POWER**  
The ODYSSEY powers up in 5 fabulous ways: via solar panel, hand crank, built-in rechargeable lithium battery, alkaline batteries and USB-C direct current.

<b>am   fm   sw   wb</b>	
 <b>NOAA</b> Receives AM/FM/SW/WB & NOAA	 Alarm Clock
 Charges Most Smartphones	 Bluetooth®
 Solar Charging	 Crank Charging
 USB Charging	 SOS Emergency Beacon & Siren
 LED Flashlight & Beacon	 Charge Protection Chip
 Weather Resistant	 Lithium-Ion Battery

## LISTEN UP

Stay in tune and up to date with this ALL-BAND digital radio with display and alarm clock. If you want more than just the radio, it's Bluetooth ready and has AUX-IN to play your own tunes or listen to your favorite podcast. Whenever you want to listen alone, just plug in your favorite headphones to the standard mini jack.

## ALL-POWERFULL

The built-in solar panel will charge the battery fully in 10-12 hours. Looking for alternative sources of energy? Crank the hand turbine for four minutes and you'll produce enough power for 10-15 minutes of music, news, and weather or one minute of talk time. You can also use the USB-C cable to plug-in to charge the ODYSSEY'S built in rechargeable battery or install 3 AAA alkaline batteries for instant power.

## FEATURES

- 2600 mAh Rechargeable Lithium-ion Battery
- Alkaline Batteries (not included)
- Digital Tuner & Display
- 5V/2.0A USB Output
- Bluetooth Ready
- High Efficiency Solar Panel Charging

- DC Power input via included USB-C Cable
- AUX-IN Jack
- Headphone Jack
- Clock
- AM/FM/SW/WB Coverage
- Shortwave
- NOAA Weather Alerts
- Carabiner (included)
- Safe Battery Charging Protection Chip

## SAY HELLO

To charge your smartphone or tablet, simply plug into the 5V/2.1A output USB port. Power will automatically “dump charge” to your device just like plugging into the wall. The ODYSSEY will provide charge to most smartphones.

## LIGHT THE NIGHT

Shine the bright LED flashlight to find your way. Use the glow-in-the-dark locator and illuminated buttons when you're in the dark. For big-time emergencies, flash the red emergency beacon.

## WEATHER OR NOT

The ODYSSEY is splashproof so neither sleet nor snow nor rain will hamper its performance. Ideal for camping trips or river expeditions.
