#### **NEW PRODUCT ANNOUNCEMENT**

# MONTANA® 710, 710i, 760i RUGGED GPS HANDHELD NAVIGATORS

# **PRODUCT OVERVIEW**

Stay on track and in touch with the rugged Montana® 710/710i/760i handheld GPS navigators. Built to guide you through all kinds of adventures, Montana includes TopoActive mapping, a glove-friendly 5" color touchscreen and long battery life. With an active inReach® subscription and a Montana 710i or 760i featuring built-in inReach technology, you can stay connected via two-way messaging and interactive SOS alerts¹ even when you venture beyond cell coverage.

# MONTANA® 710, 710i, 760i RUGGED GPS HANDHELD NAVIGATORS

## **KEY FEATURES**

#### **BUILT-IN INREACH® TECHNOLOGY**

With a paid inReach subscription, Montana 710i and 760i devices let you stay in touch when you venture beyond cell service. Instead of relying on cellphone coverage, now your messages are transferred via the 100% global Iridium® satellite network2.

#### **TOPOACTIVE MAPS**

To navigate your adventures, use preloaded worldwide TopoActive maps. View terrain contours, elevations, coastlines, rivers, landmarks and more.

### **RUGGED, 5" TOUCHSCREEN DISPLAY**

This durable, water-resistant handheld is tested to meet MIL-STD 810 for thermal, shock, water and vibration. It features a glove-friendly 5" touchscreen and is compatible with a variety of robust mounting solutions (sold separately) to best suit your activities.

#### **OUTDOOR MAPS+**

Purchase a subscription to Outdoor Maps+ for ongoing access to a wide variety of premium mapping content and regular updates sent right to your Garmin device via Wi-Fi® technology.

# MONTANA® 710, 710i, 760i RUGGED GPS HANDHELD NAVIGATORS

# **KEY FEATURES**

SATELLITE IMAGERY	Access subscription-free, high-resolution satellite imagery with direct-to-device downloads over Wi-Fi® connectivity. See photorealistic overhead views of routes and surrounding terrain, and easily create waypoints based on landmarks.
BUILT-IN CAMERA	Capture images of your adventures with the Montana 760i device, featuring an integrated 8-megapixel autofocus camera. It geotags photos with coordinates, so you can navigate back to favorite sites in the future.
BATTERY LIFE NEW	A rechargeable lithium-ion battery pack provides up to 24 hours of battery life in GPS mode and charges with a standard USB-C® cable.
GARMIN RESPONSESM	In case of an emergency, trigger an interactive SOS message to Garmin Response, our 24/7-staffed international response coordination center. Requires active inReach® subscription and use of Montana 710i or 760i.
GARMIN EXPLORE™ APP	Pair Montana with the <u>Garmin Explore app</u> to plan and review trip data, plus manage your waypoints, courses and activities.
MULTI-GNSS SUPPORT	Receive access to GPS and Galileo satellite networks, enabling you to track in more challenging environments than GPS alone.
LOCATION SHARING <sup>1</sup>	Use live tracking to let your loved ones follow your location, when paired with your smartphone. With an active inReach subscription on Montana 710i or 760i, you can also use your live tracking page so followers can see your progress, ping your device to see your GPS location and exchange messages during your trip.
OPTIONAL INREACH WEATHER	Available inReach weather forecast service provides detailed updates directly to your Montana handheld or paired devices, so you'll know what to expect en route (available on Montana 710i and Montana 760i only and requires inReach subscription).
CITY NAVIGATOR MAPS	Seamlessly transition from trails to road navigation with preloaded City Navigator street mapping, which guides your drive with easy-to-follow turn-by-turn directions (included with Montana 710i and 760i. Sold separately for Montana 710).
FEDERAL PUBLIC LAND BOUNDARIES	Optional display of federal public land boundaries on topographical maps helps you know that you're venturing where you're supposed to be.
MORE MEMORY IMPROVED	With 32 GB of onboard memory, you can download even more maps to suit your various outdoor activities such as <a href="BlueChart@g3">BlueChart@g3</a> charts for the water (sold separately).
ABC SENSORS	Navigate your next trail with ABC sensors, including an altimeter for elevation data, barometer to monitor weather and 3-axis electronic compass.
ACTIVE WEATHER	Use cellular connectivity² to access up-to-date active weather forecasts through the Garmin Connect™ app.
VEHICLE MOUNTS	A variety of compatible mounts (sold separately) lets you adapt your Montana 700 series navigator for use on ATVs, boats, cars, motorcycles, RVs or other vehicles.
DOG TRACKING	For hunters and trainers, the Montana series syncs with compatible Alpha® series handhelds (sold separately) to help track sporting dogs in the field.
EXPEDITION MODE	Trek far and wide off-grid. Use expedition mode, an ultralow-power GPS reference, to keep Montana tracking for more than two weeks between recharges.
